The Powerful Hand of ELECTRICITY

BRAIN and BRAWN are right now at the highest premium ever known in our country.

The great demand everywhere is for results.

Time is precious. Efficiency methods are necessary.

In the home, office, store, factory, farm—EVERYWHERE—the human effort is to save labor and produce results.

Electric Service represents the best possible service, in the quickest possible way, at the least possible cost.

Whoever and wherever you are; whatever your work; you can accomplish more, and labor less, with the help of Electrical Appliances.

You have but to tell us your business—housekeeping, manufacturing, merchandising or tilling the soil and we will bring to your attention, instantly, some wonderful device or appliance for effecting an economy in your labor, time and expense.

The service wires of this great system are just outside your door, working for your neighbors and your community—ready to serve you too.

A word from you (a phone call is sufficient) and a representative of this company will immediately place before you facts and figures on how Electric Service can give you economies and relief from drudgery never realized before.

All we ask is the opportunity to prove this to your complete satisfaction. The final decision rests entirely with you.

The best way is to Do It Electrically.

MAUI ARRANGES ENTERTAINMENT VISITING SOLONS

(Special Star-Bulletin Correspondence.)
WAILUKU, Oct. 13.—On Thursday afternoon of this week a special meeting of the Maui Chamber of Commerce was held. President R. A. Wadsworth was in the chair.

The principal business was appointment of a committee to make arrangements for the entertainment of the congressional party which is expected to visit Maui November 17 to 20: F. F. Baldwin, William Walsh, and D. H. Case were appointed to act jointly with the legislative committee of the Maui Chamber of Commerce and the president of the organization.

The new postoffice for Wailuku, a topic much discussed of late, was also brought before the Chamber. A. F. Costa and C. D. Lufkin were appointed a committee of two to act with the president with power to investigate possible sites and equipment.

The Chamber went on record as favoring the securing as large a number of sales of the Liberty loan as possible and voted to appoint a special committee for each district for interesting the people of Maui in the purchase of the bonds. The chair appointed R. A. Drummond for the Hana district, F. B. Cameron for Pala, W. A. Baldwin for Haiku, E. R. Bevins for Wailuku, George Freeland for Lahaina, H. W. Rice for Makawao and Kula, and George P. Cooke for the island of Molokai.

The possibility of securing permanent headquarters for the Chamber of Commerce in connection with the Maui Fair and Racing Association was discussed, and the president was authorized to carefully look into the whole matter.

WAILUKU TO HAVE NEW POSTOFFICE

(Special Star-Bulletin Correspondence.)
WAILUKU, Maui, Oct. 13.—Bids have been called for by the U. S. post-office department for the furnishing of suitable quarters for a new post-office for Wailuku. Bids will be closed on October 20, and blank proposals and specifications may be obtained from Postmaster Costa.

These proposals call for the furnishing of rent, for five or 10 years from February 1, 1918, for heat, light, water, closets, safe or vault and all necessary furniture and equipment for the proper conduct of the office at a stated price per annum. Floor space needed, 875 square feet. The location must not be too far from the business center.

It is understood that D. C. Lindey, trustee of the Robinson properties, is willing to put up a substantial post-office building where now stands the little house formerly used by D. H. Case and later by W. F. Crockett as an office, next to the present post-office on Main street.

John Kanai, charged with selling liquor without a license, was acquitted by a jury in Circuit Judge Heen's court yesterday. The verdict was directed. Kanai was fined \$250 in police court and appealed.

CONGRESSMEN TO SPEND 5 DAYS ON BIG ISLAND

(Special Star-Bulletin Correspondence.)
HILO, Oct. 13.—The Crescent City is to have the distinction of being hosts to the visiting congressmen who are expected to arrive here Sunday morning, November 11, for a stay of five days. As a precautionary method, and with a view to seeing that the visitors will be enabled to see all there is to be seen in and about the city of Hilo as well as the entire island, Speaker Holstein has appointed the following well known public men as a committee, empowering them to appoint in turn, as many subcommittees as is thought necessary to form a suitable reception committee: Judge Clem K. Quinn, being the highest official in connection with the federal government stationed here, as chairman; George H. Vicens, president of the Hilo board of trade, as representative of the business community; Honorable Samuel Kauhane, chairman of the board of supervisors, as representing the county of Hawaii; Frank Woods, as representative of outside districts, and Evangeline da Silva, as representing the legislature.

It has been learned that the party of congressmen are to arrive November 1 in Honolulu, whence, after more than a week's stay, they are to proceed to Hilo. From here they will go direct to Maui where they are to remain for three days, returning to Honolulu on the 19th.

It is intended to have a committee on sports named, as one day will probably be given up to baseball and other sports which may include swimming and diving—and perhaps a boat race between local teams.—Post.

REV. WILLIS B. COALE WILL BE MINISTER AT LOCAL KALIHU CHURCH

(Special Star-Bulletin Correspondence.)
WAILUKU, Oct. 16.—At the request of the Hawaiian Board of Missions a special meeting of the Maui Aid Association was held last week to vote upon the release from Lahaina of Rev. and Mrs. Willis B. Coale. Mr. Coale has received a flattering call to become pastor of the Kalihui Union church of Honolulu. The trustees voted unanimously to allow Mr. Coale to take up his duties in connection with the Kalihui church.

Sincere appreciation of the work of Mr. and Mrs. Coale was expressed at the Maui Aid meeting, and it was with deep regret that the trustees allowed them to leave Maui. In the interests of the Kalihui church and in accordance with the wish of Mr. and Mrs. Coale the vote was taken favorable to the request of the Hawaiian board.

Both Mr. and Mrs. Coale are graduates of Oberlin College, and both received the Phi Beta Kappa keys, a mark of high scholarship. Mr. Coale continued his studies in the Theological School of Oberlin, where he was graduated with high honors. Mrs. Coale took post graduate work at Syracuse university and also at universities of Michigan and Chicago. They are entering upon their third year of work at Lahaina this September. During the month of October they are supplying for Rev. John F. Cowan, D. D., of Kohala, Hawaii, who is away on an extended vacation. Mr. Coale will preach at Lahaina during the month of November and begins his work in Honolulu on the first of December.

At the meeting of the association Monday and subsequently at the meeting of the English-Portuguese committee of the Hawaiian board it was voted to proceed at once to secure a successor to Rev. Mr. Coale. Correspondence in the matter will be handled through the Maui Aid Association, which organization will later recommend to the Hawaiian board the candidate for the Lahaina field.

INTRODUCE MONTHLY VESPER SERVICES ON MAUI; PROVE SUCCESS

(Special Star-Bulletin Correspondence.)
WAILUKU, Oct. 16.—Last evening at the Makawao Baldwin Memorial church the first of a series of monthly vesper services was held. The visit of Miss Alice E. Harrison, organist of the Central Union church, Honolulu, was the motive for this recital, which was held at 7 o'clock. Invitations were sent throughout the parish asking that everyone come and that people should not dress for the occasion. "Just step in and make yourself at home," the letter read. The response was most encouraging, and a large number of people from Haiku and Makawao were present.

Miss Harrison's musical numbers were Faulkes' "Grand Choeur in A Flat," St. Clair's "Communion in G," an introductory, Lacey's beautiful number, "Hymn of the Setting Sun," was played in the service, while the postlude was "Finale Maestoso," by Faulkes.

Koschat's "The Lord Is My Shepherd" was rendered by a double trio. The choir sang Farmer's "Gloria in Excelsis," Mrs. H. A. Baldwin and Mrs. J. P. Foster sang F. H. Smith's beautiful "Eventide."

The music was greatly enjoyed by every one present. Rev. A. Craig Bowditch, pastor of the church, preached a short helpful sermon. The prayers, responses and hymns were all made a helpful and inspirational part of the service.

Two (2) Shows Tonight

LASKY STARS BID ADIEU TONIGHT

Blanche Sweet as a young business woman in "The Silent Partner" has one of the best roles of her film career, and that career, while not so long in years, is lengthy in the number of productions in which she has been starred. As a matter of fact it would be difficult for the following of this favorite daughter, who are always on hand at the Liberty when she is the attraction, to recollect just when Blanche Sweet became a star and ceased appearing in minor roles—if ever she did appear in minor roles.

The Liberty for the last time tonight will present "The Silent Partner," a film drama that combines love and business in a most remarkable manner; a film drama that brings out many points of strength and weakness in the life and career of a business man with his stenographer, always faithful, saving him from the pitfalls of a designing partner.

The love element does not enter until the business man has been saved from almost self-destruction by the faithful little lady, and after his wife has proven herself unworthy of him and his love. Then the stenographer comes into her own. The leading male role is essayed by Thomas Meighan, another Lasky favorite.

HAWAII SCREENS CHAPLIN SCREAM

Charlie Chaplin has visited Honolulu and has now started on the return trip to the mainland to resume his pleasant occupation of earning a million a year wherewith to buy Liberty Bonds. While here many residents of Honolulu took advantage of the opportunity of meeting the cleverest of all comedians, and as a result will be more than ever in favor of Chaplin films, the moral being: Attend the Hawaii theater this week and see Charlie Chaplin in "The Fireman," one of those screaming screen offerings that have made the name of Chaplin a household word around the world.

The Hawaii theater makes a specialty of "Chaplins" and usually runs them as an added feature to the regular show, the proposition being almost a "two in one" idea of two shows for one admission. The feature for the latter part of the present week is "A Child of the Wilds," featuring the rapidly ascending young star, June Caprice. This is a William Fox offering and an unusual production from this studio. It is a story of the Tennessee mountains and the trials and tribulations of a mountain daughter. It is the kind of an offering in which June Caprice excels, the kind that has won her lasting popularity with the film patrons.

MUCH INTEREST TAKEN IN SERIES OF LECTURES

Much interest is being taken in the series of eight Thursday morning talks, which Rev. J. H. Williams, D. D., acting pastor of Central Union church, is giving in the Bible school rooms at 10 o'clock, his discussion being upon the "Elements in the Character of Jesus."

Both men and women are welcome at these meetings and those privileged to attend are not limited to Central Union, but people from any church and those who have no preference are welcome to attend. The committee has been pleased to note some outside visitors and it is hoped many more will avail themselves of the opportunity to hear these forceful addresses. Red Cross sewing is provided for all women who wish it so that there may be no idle hands. The second meeting in the series will take place tomorrow morning at 10 o'clock.

Sponsored by Attorney W. J. Robinson, Edgar M. Kitchin of Washington, D. C., was admitted to practise law in the local federal court yesterday. Mr. Kitchin is passing through Honolulu.

SINGING TRIO MAKES BIG HIT

Eccentric character roles when ably interpreted and well handled are a source of never ending amusement on the stage. This week in the current Bijou program there are three such roles exclusive of the comedian in chief, one Monte Carter, alias "Izzy." The three roles are essayed by Geo. Weiss, Lou Davis and Blanche Gilmore and patrons who have seen the versatility with which this trio can handle a character part know that it fits them like a glove. Lou Davis interprets the part of a Chinese servant and can give a few pointers in that line, while Weiss handles a Colts .48 with the ease of a veteran "bad" man from the woolly West. Miss Gilmore as the eccentric sister of the "bad" man begets many a laugh with her whimsical nonsense.

But "Izzy" took the crowd down last night, assisted by the singing male trio. Encore after encore forced repeated appearances and "Izzy" contributed to the merriment with his masculine efforts at the hula. It's a scream and when the male trio comes tonight be sure that "Izzy" does his little stunt for tonight's is the last appearance of "Izzy" as the secretary, and tomorrow night will see him and company in a entire change of bill.
